San Mateo Charter Will Face Legal Test Saturday Morning

Taxpayer Files Suit Claiming Use of Judges on Nominating Board Is Illegal

San Mateo County's new charter will face its first legal test Saturday morning at 10 o'clock when a hearing will be held in the courthouse at Redwood City before Judge Robert R. Syer of San Jose on the suit filed by W. H. Morrissey, Redwood City attorney, on behalf of John J. Griffin, retired, San Mateo County taxpayer, who is representing a group of taxpayers who seek to have the constitutionality of the charter tested before the legislature approves it. It is their contention, according to Morrissey, that, should the charter be approved by the legislature in its present form before the hearing is held and the legality of its provisions tested, the county may find itself unable to function because of the conflicting laws.

The suit is based on that portion of the charter which provides that superior judges shall sit as members of the qualification board to select and submit to the board of supervisors not to exceed five names from which the board is to select a county manager.

This, the suit claims, is unconstitutional inasmuch as Section 18 of Article 8 of the Constitution of the State of California prohibits judges from taking any other office or public employment during the term for which they are elected. "To take such employment," the section provides, "is a resignation from the office of judge."

The new county charter, Morrissey says, will set up a scheme of government that takes all administrative jurisdiction from the board of supervisors and places it in the hands of a county executive, the machinery for the appointment of such an executive being in violation of the state constitution. Thus we will have a situation, if the charter is approved by the legislature, of the county being governed by the charter instead of by the general laws, so that the county will be unable to carry on its business if it is unable to appoint its executive.

A technical objection will no doubt be raised, Morrissey declared, that the suit should not have been filed until after the charter became effective but this, he believes, would leave the county helpless and unable to function in any way and produce a chaotic condition.

"With all these arguments in mind," said Morrissey, "why not have a friendly suit over the entire matter and get these questions settled for once and all."

Edmund Scott, district attorney, agrees with Morrissey on the constitutionality of the provision regarding judges, but believes that although this provision may be found illegal, the court would not throw out the entire charter, but would annul the offending provision.

Scott also believes that the whole matter should be held over until after the legislature approves the charter. However, he said he felt that the question would have to be threshed out some time and it was his belief that it would have to be carried to the supreme court for final decision.

Rumors Rife Over Choice of County Head

Picking of San Mateo Executive Gives Rise to Much Conjecture

Who will be the San Mateo County executive under the new charter?

This is the question that is agitating the minds of the citizens of the county and providing much conversation wherever politicians meet. Redwood City teems with rumors. Each possibility has his backers and some interesting arguments are being heard in cafes and around the courthouse.

Prominent among those mentioned for the post is Frank M. McVeigh, secretary of the board of freeholders and former manager of the Burlingame Chamber of Commerce. The charter forbids any member of the board of freeholders from seeking the position, as well as any member of the present board of supervisors, but leaves the secretary of the board eligible.

Dan Stafford, former mayor of Redwood City, is another who is being groomed for the position and has some strong backers.

Matt Harris, former mayor of Menlo Park, is also among the possible candidates, rumor having it that he is seeking the job so that he might later resign in favor of James B. Howell, Atherton councilman and chairman of the freeholders' board, which wrote the charter.

Joseph Beard, postmaster of Burlingame, said to be slated for retirement under the Democratic regime, is another possibility, as is James Mulryan, of the San Mateo City Planning Commission, and George Kneese, former county engineer.

Others in the race, according to the man on the street, are: Roscoe Wyatt, secretary of the County Chamber of Commerce; Howard Wood, secretary of the Redwood City Chamber of Commerce; W. P. Wilsey, city manager of San Mateo; E. A. Robison, Redwood City manager; W. H. Kellogg, manager of the P. G. & E. of Redwood City.

Committee to List New P. O. Prospects

It is understood that the Democratic committee of San Mateo county will suggest the names of the postmasters on the peninsula to be appointed by J. J. McGrath, the congressman-elect. The committee is besieged by applicants for office, although vacancies will not occur for some time. They believe in the early bird catching the worm.

The recommendations made in the past by the county Republican committee were usually ignored. But that is past history.

Christmas Club Checks Awaited

Over $12,500 in Christmas Club checks will be mailed out by the Redwood City branch of the Bank of America, so as to be in the hands of the fortunate club members December 1, it was announced today.

It is expected that the greater share of this sum will be expended locally, thus stimulating business in a material way.

Schools Report Attendance Up To Normal Again

Normal attendance in the Redwood City elementary schools and Sequoia Union High School was reported with the re-opening of classes Monday following a three-day advancement of the Thanksgiving vacation to ward off an epidemic of influenza.

The high school reported the return of 250 students today out of 300 absentees when classes were dismissed November 16. The number of absentees at present, approximately 50, is normal for this period of the year, according to Mrs. Petra Cooper, attendance secretary.

Superintendent John Gill of the elementary school district announced that 126 students from the previous sick list were back at their desks today, and those absent amount to 10 per cent of the total enrollment, which is also a comparatively normal figure, he said.

Bar to Honor Maxwell McNutt

Maxwell McNutt, newly-elected judge of Department One of the superior court, will be guest of honor at a banquet of the San Mateo County Bar Association in the Hotel Benjamin Franklin, San Mateo, on Friday evening, December 15, at 6:30 o'clock p. m.

Attorney Joseph J. Bullock of Atherton, president of the bar, will preside.

MALM DECREE FINAL

Mrs. Agnes W. Malm's interlocutory decree of divorce from John C. Malm was made final by Superior Judge George H. Buck today. She was awarded custody of their two minor children, Marjorie and Lawrence Malm.

BAYSHORE'S VOTERS IN FORMATION

League Organized to Campaign Against Incorporation

DOG TRACK AIM

Attempt to Sidestep County Law Is Seen

The town of Bayshore will not become the pensinula's 13th incorporated city without a struggle.

The Bayshore Voters' League organized today to fight incorporation at the polls December 20 at a special election set by the board of supervisors.

And the reason given is that the proposed incorporation is solely for the purpose of establishing a community so that a dog track can be built and escape the county's anti-gambling restrictions.

It has been rumored that the Belmont track will start up there to meet the competition of the Baden track, which is attracting much of the San Francisco crowd away from the lower peninsula track.

R. H. Mitchell, president of the league, and Phillip Cain, a member, declared the organization would conduct an aggressive campaign between now and December 20, when a special election will decide the question. The community is in Visitacion Valley, just south of the line in San Mateo county, and has from 700 to 1,000 residents.

An option already has been taken on a piece of property which promoters expect to turn over to the Belmont dog track management if the incorporation plan is carried, Mitchell asserted.

This was the development on one front in the dog track situation.

At El Cerrito, Councilman A. N. Huber last night charged that city officials were allegedly taking employment at the dog track, thus cheating the unemployed out of jobs.

Huber was understood to refer directly to Mayor Ralph Buck of El Cerrito, who has been in charge of auto parking at the track, and Councilman P. L. Lee, who has been employed as a clerk in the track office.

In Los Angeles, charges of conspiracy to violate the state gambling laws were dismissed late yesterday against Charles Carmichael, president of the Culver City Kennel Club, and Leroy Johnson, an option computer, leaving only six of the original defendants still on trial as the state began its opening argument.

San Mateo Accident Brings $42,000 Suit

Stuart Smith today has on file with County Clerk Elmore B. Hinman a lawsuit for $42,000 damages against Rudolph H. Hansen for injuries suffered at Third avenue and Bayshore, San Mateo, on October 5.

The plaintiff's back and pelvis were injured. Mrs. Smith also has filed a suit, asking $3500 for strains to the legs and shoulders.

W. N. Mullen is counsel.

$7338 Asked After Burlingame Crash

Leo K. Wilson and Mary Wilson today filed suit in Redwood City for $7,338.75 damages against Edmund A. Quinn, following an automobile accident at Bayshore boulevard and Broadway, Burlingame, on December 4, 1931.

Mrs. Wilson suffered a severe laceration of the scalp, fracture of the skull, and a brain injury. The suit was filed by Ford & Johnson, of San Francisco.

Peninsula Man's Estate in Trust

The whole of the estate of Willard C. Chamberlin, retired capitalist, of Hillsborough, is placed in trust for the benefit of his widow and two minor children by his will on file today with County Clerk Elmore B. Hinman.

Wells Fargo Bank and Union Trust Company, San Francisco, executor and trustee, filed the will.

Chamberlin, a former vice president and general manager of Standard Sanitary Manufacturing Company of Pittsburgh, died November 20 at the age of 47.

DIVORCE GRANTED

An interlocutory decree of divorce and custody of their five minor children were awarded today by Superior Judge George H. Buck to Mrs. Belle Lowe against Irby Lowe. She secured the decree on the ground of cruelty. Kinciad & Fitzpatrick represented the plaintiff.

Avoidance of Duplication In Charitable Donations Urged by Committee Head

In order to avoid duplications of charitable donations to the needy in this community, John Gill, chairman of the liason committee, sub-organization of the Redwood City Relief Committee, today urged the following procedure:

Persons wishing to give baskets of food or other forms of relief to destitute families, should first contact the relief committee, of which Carl Stoner is chairman, and ascertain if any relief is now being given to the family in question.

If none is being given, and the donor wishes to provide it, the relief committee will turn its aid to some other family, thereby avoiding duplication and extending the benefits of local relief efforts.

"Since Thanksgiving," said Mr. Gill today, "I have heard complaints that 'such and such a family got two or three baskets of food,' or that somebody got more than his share of relief.

"This is bound to happen, and there is no way to prevent it, but it is a condition which, we believe, can be largely regulated if the public will co-operate with the central relief committee."

Chairman Stoner's telephone number is 206.

Mr. Gill's liason committee is contacting all organizations in the city to inform them of the desirability of co-operating with the local relief committee in the matter of charitable contributions.

A warning is given against "professional cadgers" who play upon the sympathy of generous persons. Both the relief committee and the Red Cross make every effort to investigate the persons for whom aid is sought, to determine if their needs are genuine.

SPORTSMEN TO SELECT NEW STAFF

New officers of the Redwood City Sportsmen's Club for 1933 will be nominated and elected December 12, the date of the only business meeting scheduled for December, it was announced at last night's meeting by Hamilton Day, who presided in the absence of President George J. Zehender.

Members of the Redwood City club placed themselves on record as endorsing the recommendations passed at the state convention of the Associated Sportsmen at Stockton, particularly with regard to steps to prohibit the sale of striped bass and to the declaration of the Klamath river as a navigable stream in order to open it to fishing.

Skidways for the launching of outboard motorboats and other light craft by sportsmen and their guests have been nearly completed, Day reported. The piling and ways are installed, and a track and cradle arrangement for the handling of hulls is being finished. Those who provided materials for the construction of the ways are Art Mills, Bert Werder, Harry Bruton and Ham Day.

With the setting of election December 12, the second scheduled meeting of the month was cancelled because of confliction with Christmas.

A card party and a Yuletide party for members and their guests during the holidays were coming social events announced by William J. Graef.

Refreshments were served at the conclusion of last night's session.

Dist. Governor Of Exchange Is Taken by Death

Victim of a mysterious malady, George V. Ellis, district governor of the Exchange Club and district manager for the Pacific Telephone and Telegraph Company, succumbed yesterday in the University of California Hospital at San Francisco.

Ellis, who came here February 14, 1930, was stricken several months ago, and underwent an operation October 6. Physicians were unable to check the disease. Six club members of this city volunteered blood for transfusion, and they were being tested when Ellis passed away.

Ellis was formerly sales manager for the telephone company in San Jose, and also served the sompany at San Rafael and in San Francisco. He was married on February 19, last, to Mrs. Louise Dathe, of San Francisco, and was appointed district governor of the fifth district, California Affiliated Exchange Clubs, February 26.

Exhibit Pavilion Progress Made

The San Mateo county-San Francisco permanent live stock and agricultural pavilion was a step nearer realization today.

San Francisco supervisors pledged $250,000 toward the project, matching a like sum in the state treasury.

Mayor Angelo Rossi was today seeking a $54,000 loan from San Francisco banks to buy the site in Visitacion Valley. The city has $100,000 on hand to start the work, which will give 200 men immediate employment.

San Mateo county has yet to set aside its share of the project.

WATERPOLO AT SEQUOIA CALLED OFF

Relinquishment of its leadership in the Peninsula Water Polo League during the past three years is in store for the Sequoia Union High School water polo squad this winter as a result of the announcement today by school officials that the swimming pool will be closed from December 1 to March 1 in the interests of economy.

While the withdrawal of the Cherokee team is expected to strike a severe blow to the peninsula league after it had been strengthened by the prospective entry of Burlingame for the coming season, the closing of the Sequoia pool was ordered after considering the fact that only 35 out of nearly 1200 students will be affected.

Coach Jim Eva, who organized the water polo league, has developed strong teams at Sequoia during the past few seasons. The Indians took fourth place in the national A. A. U. junior tournament two years ago and have given heavy competition to such teams as the Athens Club, Olympic Club, Stanford varsity and frashmen, in addition to Palo Alto, Menlo and Mountain View high schools.

Defendant in Murder Trial Granted Delay

Pedro Guerrero, 65-year-old Pedro Valley resident, who is accused of slaying Maurice Russell, 40, San Francisco advertising man, won a continuance of his trial for murder today. Superior Judge Franklin Swart set December 13 as the day for trial at the request of Defense Counsel Harrison Call and Edward Hoffman.

Dr. J. C. McGovern, San Matso county coroner, whose mother was saved from flames in a coast brush fire many years ago by Guerrero, is evincing a keen interest in the aged man's trial.

Nettie A. Wilcox Taken by Death

Mrs. Nettie A. Wilcox passed away early Friday evening at her residence, 118 Brewster avenue. With her husband, Charles W. Wilcox, she recently came to this city to reside. She formerly lived for many years in El Paso, Texas. She was a native of San Francisco, and was 68 years of age.

Besides her husband she leaves a son, Robert H. Wilcox, of El Paso, Texas.

Monteagle-Flood Alliance Denied

"I don't want Patricia's name linked with any man's—"

Thus Mrs. Estelle Havens Monteagle of San Francisco and peninsula society sets at rest rumors that Patricia Monteagle, 18, is to marry James Flood, son of the late Menlo Park mining magnate, whose family figured in the sensational Gavin will contest.

Denial came also from James Flood himself.

"Is it true you are going to be engaged to Patricia Monteagle?" he was asked.

"Why, I hardly know the girl," was his response.

Three or four acres of grass, brush and leaves were burned in the foothills west of the Emerald Lake area on Saturday night, but no damage resulted, according to Fire Warden Bert Werder.

MAN KILLED, 1 INJURED IN M. P. WRECK

Printers Employed by Peninsula Papers Are Victims

TWO CARS CRASH

Second Man Remains Unconscious After Accident

A printer was killed and another seriously injured in a two-car crash on Oak Grove avenue, near Laurel street, Menlo Park, at 10:45 o'clock Friday night.

The Dead

Milford H. Kennedy, 32, a linotype operator employed by the Palo Alto Times.

The Injured

Howard S. Linton, printer employed by the Redwood City Tribune.

Both men were thrown about 30 feet from the wreckage of their car after it had skidded and overturned three times.

Dies Almost Instantly

Kennedy's head struck on a concrete curb on Oak Grove avenue, and he died a few minutes later as he was being removed to the Palo Alto Hospital.

Linton, whose injuries have not been determined because of his delicate condition, was still unconscious at the Palo Alto Hospital this afternoon.

The second car was being driven by Mrs. Edwin C. Edwards, of Box 7, Menlo Park, who was attempting a left hand turn into Laurel street from Oak Grove avenue at the moment of impact, police reported.

Linton suffered bad lacerations of the face and hands, but whether he was internally injured or not had not been determined because X-Rays could not be made until he somewhat recovers.

Two Women Unhurt

Mrs. Edwards and a woman companion, whose name has not been learned, escaped injury and their car was only slightly damaged.

Kennedy was living with his sister, Mrs. Charles Wilkie, on Oak Grove avenue, where he has been since July. He is a native of Aberdeen, South Dakota, and served in the navy during the war, on the Atlantic coast.

A brother, Newell, and his mother, Mrs. H. J. Seeman, both of Rockham, South Dakota, survive.

Linton lives at 1112 El Camino Real, this city.

Police Chief Frank Love and Officer Thomas Kearney of Menlo Park are investigating the mishap.

Tax Delinquency Warning Issued By R. C. Officials

Attention of Redwood City taxpayers was again called today by City Collector Nelle Miramontes to the fact that, unless taxes are paid on or before December 5, the collector will be compelled to add a penalty of 10 per cent as required by city ordinance.

"This year," points out City Manager E. A. Rolison, "in order to lighten the tax burden, the rate has been cut from $1.30 to $1.10. To do this, a reduction in excess of $40,000 has been made in the present budget as compared with last year. Hence, taxes must be paid promptly, otherwise funds to meet even the reduced expenditures will not be available and an increased tax rate will be inevitable in the preparation of the 1933-34 budget."

Additional penalties, a total of which when applied over the redemption period of five years, are equivalent to an interest rate of approximately 40 per cent per annum.

NEW AUTO IS STOLEN FROM SHOW FLOOR

BURLINGAME, Nov. 28—Police here today were looking for a brand new Ford sedan which was reported stolen right off the showroom floor of the Burberick Motor Sales Company, 111 California drive.

When first missed, the car was thought to have been borrowed by one of the firm's salesmen. But when the car did not show up the next day, police were notified.

Search revealed that the rear window of the place had been pried open, and the front door locked again after the car was driven out of the show window.

'Shannons' to Open 2-Day Run Friday

Event—"The Shannons of Broadway," three-act comedy by James Gleason.

Time—Friday and Saturday evenings, 8 p. m.

Place—Sequoia high school auditorium.

Cast—Sequoia Players under C. A. van Patten.

Benefit—Redwood City unemployment relief bread fund.

Tickets—All seats reserved at 40 cents each, Sequoia Pharmacy or Ryan's Drug Store.

Benefit Play Story Centers Around Hotel

If a pair of New York vaudeville stars were to come to Redwood City and buy the Hotel Sequoia, their experiences would probably be the same as those encountered by the Shannons in Jimmy Gleason's three-act comedy, "The Shannons of Broadway," which will be staged Friday and Saturday evenings in the Sequoia high school auditorium for the benefit of the unemployment relief bread fund.

Emma and Mickey—they are the Shannons—step right out of a "big time" circuit and into the management of a small town hotel. Here they mix with Gleason's typical assortment of human characters—the head waitress, the bootlegger, the railroad men, the county shyster—and there is the opportunity of Director C. A. van Patten's experienced Sequoia Players cast for real-life drama.

Gleason is co-author of "Is Zat So?" which the Kiwanis Club presented last year, and "The Shannons" is another of his mirthful comedies with sparkling dialogue.

Janice Paulman and Jack Scharlin, both of whom have carried important roles in 'Captain Applejack" and other high school plays, are taking the leads as the Shannons. Others in the large cast are Henry Kalteren, Eleanor Woodcock, Francis Hutchinson, Florence Barrett, Hugo Endrigo, Carl Ellertson, Jack Knight, Gilbert Davis, Louis Farasyn and Louis Eaton.

The scenes, laid in the lobby of the "Swanzey, House" in a New England town, are affording the high school's play production class an interesting project in developing a characteristic setting.

But this is only half the picture. Behind the scenes are members of the unemployment relief committee, who have solicited ticket sales among service clubs, churches and other organizations with the expectation of filling the auditorium for both performances.

All proceeds from the play will be used to make into bread the Red Cross flour that has been donated for local unemployed and their dependents. Virtually all of each 40 cents per ticket is a direct contribution to the bread fund.

Seats may be reserved at the Sequoia Pharmacy and Ryan's Drug Store. Many of the local groups will attend in units and have reserved blocks of seats.

Kennedy Death Blame Unfixed

A verdict of "accidental death" was returned by a jury probing into the death of Milford H. Kennedy, 32, Palo Alto linotype operator, here today. Kennedy died of a fractured skull and crushed chest, the jury found.

He was killed November 25 when a car in which he was riding was involved in a crash with another driven by Mrs. Edwin E. Edwards, of Menlo Park.

The inquest was held at the Layng & Tinney chapel in Redwood City by Coroner J. C. McGovern.

Driver Escapes as Machine Overturns

Paul Cuvello, 341 27th avenue, San Francisco, escaped serious injury here yesterday when his car skidded on Main street, jumped a curb, ripped down a parking limit sign and turned turtle, according to a report on file with the Redwood City Police Department today.

DALY CITY QUIZ NEARS COMPLETION

Accused Officials Not To Be Indicted, Says Report

WARNING COMING

All Officeholders Will Be Told to Avoid Practice

Official inquiry into Daly City municipal purchases by the San Mateo County Grand Jury was virtually concluded today, it was understood, and will not result in any indictments, it was said.

The jury will, however, include a warning to all county and town officials being interested in supplies purchases must cease, if any such practices are now resorted to, it was said.

A. L. Stockton, city treasurer of Daly City, was the last witness questioned by the grand jury in connection with the Daly City purchases.

Mayor H. H. Smith and Fire Chief J. J. Kennedy preceded Stockton before the jury Monday, and John J. Fahey Jr., secretary of the Daly City Voters' League, laid his charges before the jury a week ago.

The jury next will give its attention to county expenses, seeking to close the loopholes which now permit of extravagance, it was stated.

Colma Chinese Burglar Gets 10-Year Term

A 10-year sentence for first degree burglary was meted out today by the state board of prison directors sitting at Folsom to Jim Louie, Chinese, who was sent to San Quentin on July 21, 1928.

Louie was captured in Colma by Jerry Horkey. The Chinese said he was drunk at the time, but Mrs. Horkey testified that she had seen him ransacking a bureau drawer when she peered through the window on seeing a light in the house.

S. J. Exchangites Quit National Club

Through disagreement with the national organization regarding local policies, the San Jose Exchange Club has severed its relations with the National Exchange and will organize as an independent unit.

At its meeting yesterday the unit adopted the name of "California Amigos" under which it will be known in the future. It is probable that the club will be expanded into a state-wide organization, functioning as do national groups.

Louis Oneal, who has been president of the State Exchange Club, presided at the meeting and appointed Lloyd Trousdell, Ed. Seacord and Fred Doerr as a committee to draw a constitution and by-laws. The report will be made next Tuesday.

THE SPOILS SYSTEM

Democratic leaders in Congress are paving the way for a clean sweep of all the offices under the jurisdiction of the president.

News from Washington tells of an announcement from Chairman McClintic of the house patronage committee, that he will introduce at the "lame duck" session of Congress a joint resolution designed to rid the civil service of government employes who are not qualified by examination for their posts.

The resolution would require all government employes who have been conferred to civil service upon presidential order during the past three Republican administrations to take the standard examinations before being allowed to continue in office.

This action will clear the way for a patronage battle and open many government jobs to appointment under the "spoils system."

FARM RELIEF

Farm relief will be one of the big problems facing the coming session of Congress. Democratic leaders in Congress are planning bills on farm topics as well as on mortgage financing in the hope of stalling off any demand for a special session after Roosevelt's inauguration.

The statement this week of Senator-elect McAdoo that he would make an attempt to have naturally fermented fruit juices included in the beer bill expected to be introduced as soon as the session opens will also be of interest to California agriculturists and if successful will do much to allay the farm crisis here.

Whether the Democrats are successful in their plans or not remains to be seen but they evidently are going to attempt to do what they can to avoid the extra session.

And if Hoover carries out his threat to veto the "Beer Bill" an extra session looms very probable.

History of SAN MATEO COUNTY

By CHARLES H. PRIOR

ARTICLE 6

Founding of the Missions

In the year 1776, when the American patriots were fighting for liberty upon the Atlantic Coast, Father Junipero Serra and his intrepid friars were bearing the cross of Christendom northward along the Pacific and laying the foundation stones of California's civilization.

The Portola expedition in 1769 had named the Bay of San Francisco in honor of their gentle patron saint, Francis of Assisi (1181-1226) apostle of true Christianity who helped to lead Italy and all Western Europe out of the Dark Ages into the light of the Renaissance.

Now, seven years later, Father Junipero and Don Gabriel Moraga set out from Monterey northward to found the San Francisco Mission. Several families and a troop of soldiers accompanied them, and they took with them a number of black cattle, horses, sheep, grain and seed.

To provide additional provisions for the new colony, a store-ship sailed along the coast and met them at the appointed place. The land party arrived June 27, 1776 and began immediate building and establishment of the settlement.

On November 9 solemn possession was taken, and it was named Mission Dolores, or "Mission of Pains and Hardships." This name was undoubtedly chosen by Father Junipero because of the vivid memories of the discovery of San Francisco Bay, when the brave suffering little band of "conquistadores" under Portola had heroically pushed northward in 1769.

Soon after the founding of the Mission Dolores, the Mission of Santa Clara was established by Father Tomas de la Pena, and formal possession of it was taken January 18, 1777. Both of the missions prospered and expanded, and others were settled in the bay counties.

Beween the time of the founding of the San Carlos Mission at Monterey and the banishment of the Franciscans from California by the Mexican government in 1835, nineteen missions were established in this region, reaching as far north as Sonoma.

The Spaniards held undisputed possession of San Francisco Bay, although on several occasions English occupation of the territory was threatened.

One of the first English navigators to touch at this shore following Drake was Captain George Vancouver, in command of the sloops "Discovery" and "Chatham." He arrived at San Francisco in 1792 and anchored his ships off the Presidio.

Vancouver was won to admiration and praise by Senor Sal, ensign in command of the Presidio, and the Franciscan friars at the Mission, who welcomed him with the most cordial hospitality. After visiting with them for several days, he set out with some of his officers for the Mission of Santa Clara.

The description given by the historian with Vancouver's party is full of interest. He describes the little wooded knoll at the entrance of the Howard estate in Burlingame, the bushy channel of San Mateo Creek, and the clump of timber which marked the present site of San Mateo.

Near Redwood City and Menlo Park, he says of the country: "Here we entered a country I little expected to find in these regions. For about twenty miles it could be compared to a park, which had originally been closely planted with true old English oak."

Under a clump of wide-spreading oaks, near San Francisquito Creek, which have since been identified as fronting on Middlefield road just west of the James L. Flood estate, Vancouver and his party stopped to eat some lunch which had been given them at the mission, and said of the incident: "We found a place well adapted for taking the refreshments which our provident friend had supplied, and where, with some grog we had brought from the ship, we all made an excellent meal."

The Spanish-Mexican power in Northern California was weakened from 1800 onward by greedy officials who plundered the church property, stole the funds of the Franciscans, and finally succeeded, after the Mexican government had declared its independence from Spain, in having the Legislature pass an act ordering the missions secularized and the Franciscan fathers to withdraw. In the space of a few years, the splendid work of the fathers was almost completely destroyed, and temporary demoralization of the entire country followed.

(Next week's article will tell of the first settlers.)

Assistant Officers Elected in Y.M.C.A. Sioux Indian Tribe

A group of assistant officers were chosen at the meeting of the Y. M. C. A. Sioux Friendly Indian Tribe yesterday at the Lincoln school. Assistants were elected for all offices so that in the event of sickness or other absence the places can be quickly filled to carry on during the meeting.

In electing these, preference was given to those boys having the most advanced standings in the club. Those elected were: Bob Bright, chief; Gerald Barton, medicine man; John Ryan, wampum bearer; Bud Moore, tom tom beater; and Charles Gatchell, Indian runner.

The following boys received advanced standings: Dick Williams and John Sisson to "Buck", and Lloyd McGovern to "warrior."

Roy A. Hohberger, the local secretary of the Young Men's Christian Association announced the competition in basketball. The Sioux are planning on a 70-pound and an 85-pound team. The tribe expects to put in a swimming team in the younger boys' competition which will be held about the middle of December.

Billy Dusel the big chief of the tribe, appointed Jim Argo, Bob Sneed, and Jack Galvin to prepare a play based on the meeting of William Penn under the charter oak. Plans are being made for the whole tribe to participate in the play. BE PREPARED FOR "COLD PEAK" WEATHER WITH CAREFREE GAS HEAT

AN ABUNDANCE OF HEAT WITHOUT BASEMENT WORK

THERE is no doubt about it—no man likes the chore of fuel carrying, fire building and waste disposal that hand-fired heating equipment demands. It is an especially disagreeable task when a dead fire demands attention after one has had a hard day's work in office, shop, or field.

Get rid of fire stoking and stove cleaning. Heat your home the clean, convenient, modern way, with Controlled Gas heat that gives to every room even "Comfort Zone" warmth at a finger's touch of electric button, key, or automatic thermostat.

The difficult heating season is with us now, months of "Cold Peak" weather. Perhaps last winter you fired up your present heating plant to the limit, but still the house was cold. Change now to gas heating equipment and presto! an abundance of heat is yours to command. Economical, clean heat flowing into every room of your house without worry or work.

Won't you investigate the type of gas heating equipment your home needs? Ask a representative of this company or consult your local gas heating dealer, and have them give you an estimate for gas heating equipment in your home. Only a small cash deposit is necessary while the balance may be spread over a long period of time.

Natural Gas will maintain this "Comfort Zone" 65° 71° at low cost

CONTROLLED HEAT

With gas fuel you can have maximum heat instantly available and keep it regulated to any temperature desired. Controlled heat from gas heating equipment is possible by merely turning a valve or handle, by pressing a button to get high, low or medium heat, or by setting an electric thermostat to automatically maintain any desired temperature.

Ella Leahy's Will Broken In Co. Court

Standing 10 to 2, a jury in Superior Judge George H. Buck's court today had broken the will written by Miss Ella A. Leahy, 62, on her deathbed here June 24.

The jury found that Miss Leahy was under the undue influence of her nephew, Harry M. Cornyn, 948 Durlston road, this city.

Cornyn was accused by Mrs. Anna L. Dixon, 121 11th avenue, San Francisco, his aunt and sister of Miss Leahy, with influencing the latter to write a will in favor of his mother, Mrs. Mary L. Cornyn, of this city. She is a sister of both Miss Leahy and Mrs. Dixon.

The amount of the estate is shown to be $2500 by an appraisal, but property valued at between $15,000 and $20,000 is reported at stake.

Miss Leahy gave $500 to her sister, Mrs. Dixon, and $200 to a nephew, Walter Dixon. All the rest of the estate was left to Mrs. Cornyn.

The suit to break the will was filed on August 26, 21 days after the death of Miss Leahy.

Katherine R. Bauer and Edward R. Trier were the two jurors who sought to sustain the will.

Ivan N. Maroevich, one of counsel for Cornyn, made a request for a directed verdict, which Judge Buck set for hearing on Saturday at 10 a. m.

BIDS ASKED ON RELIEF BOND BLOCK

Board Offers First Issue in Sum of $112,000

OTHER MATTERS

County Project Group Has Meeting With Supervisors

Bids were called by the San Mateo County Board of Supervisors Monday for the sale of the first block of the $350,000 relief bond issue voted November 8.

Bonds in the sum of $112,000 will be offered, and the proposals will be opened by the board on December 12.

The hope that not all of the $350,000 issue will be needed this winter was expressed before the supervisors this morning by James S James, county surveyor, who discussed consideration of using but 50 per cent of the money, or $175,000 in this fiscal year.

The supervisors then could supply the materials necessary on the projects which would supply labor which could be paid for out of the relief funds, James said.

Decry Competition

James declared there is a race now on among the various cities and areas to get as much as the relief funds as possible, regardless of the actual necessity for the projects.

Supervisor Thomas L. Hickey, South San Francisco, urged the necessity of considering projects that will be more worthwhile in character.

Edward T. Harrison, vice-chairman of the citizens' projects committee, called Supervisor Hickey's attention to the fact that all projects so far submitted have been given the board's approval.

Need All for Relief

Capt. Edward Macauley, chairman of the unemployment committee, said that his committee would discourage any use of the money for materials, requiring all of it for relief—work or food.

Harrison presented a new list of projects, which were given the board's approval.

These included the improvement of the grounds of the Sequoia Union High School at a cost of $1440, and work in other parts of the county.

The purpose of today's meeting was to learn how much of the relief funds could be used by Surveyor James as the county's share, and the meeting ended with instructions to James to confer with the projects' committee.

Daly City Project

Supervisor John W. Poole, Redwood City, suggested putting more men to work on the Atherton and other drainage projects to complete the improvements before the heavy rains set in, which Captain Macauley agreed to do.

Robert A. Klassen, Daly City city engineer, revealed a $60,000 project for that area which calls for the extension of the Daly City water system into the Colma area.

Of the $60,000 needed, Klassen said that the Reconstruction Finance Corporation has been asked for $41,000. The other $19,000, which is for common labor, would come from the Daly City share of the relief bonds.

Success of negotiations with the federal financing corporation is necessary to carry out the project, Klassen said.

This project will then be put up to the citizens' committee.

A modernistic effect has been carried out in the interior and booths have been installed. A quick service lunch counter has also been inaugurated. The kitchen is under the same well known supervision as heretofore.

Rolph Will Sign Application For R. F. C. Loan to Construct S.F.-Santa Cruz Coast Highway

Plans for a proposed $7,000,000 highway between San Francisco and Santa Cruz following the approximate route of Skyline boulevard were disclosed today when Gov. James Rolph Jr. conferred with representatives of the Santa Cruz, San Mateo and San Francisco boards of supervisors.

Requests for loans totaling $1,000,000 will be forwarded to the Federal Reconstruction Finance Corporation and will bear the governor's signature, he promised.

"I will sign your application," he told the supervisors. "I have been advised by the attorney general's office that the legality of securing the requests can be guaranteed by our state gas tax and other measures of taxation. I have been assured also that the three counties desiring the highway would guarantee to pay back the money in the time required by the Reconstruction Finance Corporation."

The application for loans, he said, would come under the emergency clause set forth by the corporation.

Members of the county board of supervisors, meeting here this afternoon, said they had not been informed of the conference relative to the coast highway. Chairman Francis said he would have been present if he had known of it.

Supervisor Thomas L. Hickey of South San Francisco, who was not present t the board meeting here this afternoon, may have attended the governor's conference, it was said.

Relief Fund Solicitations Through Businessmen, Plan

Solicitation of contributions to Redwood City's unemployment relief fund through representatives of business firms in preference to contacting individuals separately will be undertaken to raise the additional money needed to carry on relief work here this winter, it was decided at Monday's meeting of the jobless aid group. J. E. Morrish presided in the absence of Chairman C. B. Stoner.

That a considerable sum must be raised locally to augment that provided by the county relief bonds was stated by Edward T. Harrison, chairman of the ways and means committee.

While a general drive for individual contributions netted several thousand dollars last year, such a plan was abandoned yesterday in favor of solicitations to business houses as units.

Under the plan suggested by Harrison and members of his committee, the manager of each business house would be asked to be responsible for the collection of voluntary cash donations from his employes. The soliciting would be done on a schedule so arranged as to provide a uniform amount each month from alternate business groups.

In addition to money contributions, the committee will request public donations of food. Action was taken yesterday to ask The Tribune to again conduct its Community Cupboard plan of food collection by placing boxes in local stores for the deposit of canned goods.

Distribution of foodstuffs to residents needing them would be accomplished by a store similar to that operated last year by the Kiwanis Club. T. J. Hallinan, chairman of the food relief committee, was requested to supervise arrangements. Headquarters for clothing distribution are now established at 234 Main street, and requisitions similar to those used for issuing clothing would be given to persons needing food supplies.

Henry Witte, chairman of ticket sales for the performances Friday and Saturday evening of the food relief benefit play, "The Shannons of Broadway," at Sequoia Union High School, reported that all service clubs, fraternal organizations and churches had been contacted in a ticket sales campaign.

Through the co-operation of the latter groups and the public, a large sale of reserved seats has been reported for both the Friday and Saturday night shows.

All seats for the two performances cost 40 cents each, and may be reserved at the Sequoia Pharmacy and Ryan's Drug Store.

A high school cast, which includes the best talent of the Sequoia Players, is completing its schedule of daily rehearsals under the direction of Claude A. van Patten for the Jimmy Gleason comedy.

Final touches are being put on the sets for the play, and all production arrangements have been made in anticipation of capacity response on the part of the community for the two-night benefit.

Menlo Park

Miss Ruth Rugaard of Walnut Grove and one of the beautiful girls of that section spent Thanksgiving with her schoolmate, Miss Carmel O'Keefe. Both are attending the College for Women, San Francisco.

Karleen Fatchett, one of the prettiest girls on Pine street, left yesterday for Portland, Oregon, where she will visit relatives for the next month.

The Menlo Park Fire Department was twice called Monday evening to extinguish blazes, one of incendiary origin.

The first, at about 9 o'clock, was a tree and brush fire at the intersection of Alameda de las Pulgas and Almendral avenue, Atherton. It is believed to have been started by an incendiarist.

The second, at 11:30 o'clock, was a rubbish fire which broke lose at the rear of the Joe Hara place on Menlo avenue.

A. E. Thomas is here from Corvallis, Oregon, visiting friends. He will visit her daughter at Los Banos for some time before returning north.

The rainfall for the recent storm is .40 of an inch, making a total of .45 of an inch for the season as against 1.97 inches at this time last year. Mushroom hunters have been out but only a few have been brought to town. More rain is needed for the precious fungi.

Harry Morey, eldest son of J. W. Morey, is looming as a candidate for the appointment of the local postoffice. The young man is strongly backed for the place.

William O'Farrell, assistant United States Marshal, is confined to his Alameda home by a broken leg bone suffered when he fell on a sidewalk in Seattle. He is a nephew of John O'Farrell who resided in Menlo Park up until recently.

Thomas L. Doran, who was raised in Menlo Park and the son of J. Doran, at one time the head gardener for the Selby estate, passed away in San Francisco last week. He was a clerk in the county clerk's office there for 30 years. Mr. Doran was a clever man and beloved by all. He never married.

Fred Nessler has returned to his place of business after spending the past two months in a hospital. His friends are glad to see him back again.

Charles Weeden, son of Mayor Weeden, has returned to Menlo Park from the Veterans' Hospital where he was undergoing treatment for several weeks.

Mrs. Mary Stanton has made improvements on her property on the highway near the Central school. She has built an elegant garage.

George Buttle, who spent his boyhood in Menlo Park, called on friends during the week. The Buttle family lived near the big tree on San Francisquito. Mr. Buttle had not been here for a long time. The family came to Menlo Park in the latter fifties.

Mrs. Cora Parker has returned to her home from Del Monte after spending a delightful two weeks there.

Plan for Labor Camp Rejected

San Mateo county will not establish a labor camp as proposed by the state forestry department, following action of the board of supervisors Monday in rejecting the plan on advice of Fire Warden Bert Werder.

Werder suggested instead a smaller camp patterned after the one in Memorial Park, the men to be given employment on fire trails and similar work.

The warden's objections were based on the type of men who would be brought into the county to make up the populace of the camp.

$2500 Awarded Coastside Man For Auto Hurts

Injuries suffered January 2 in Half Moon Bay today brought Angelo Chicca of that city $2500 in the court of Superior Judge Franklin Swart.

A jury late yesterday gave Chicca that sum in a judgment against Mr. and Mrs. Jay F. Steele. The Steeles asserted that Chicca who was struck by an auto, had contributed to the accident by failing to properly safeguard himself in crossing the street.

BEAR BAGGED BY CHRISTMAS TREE CUTTER

A 200-pound cinnamon bear was brought back from La Porte, Plumas county, in the High Sierra, by Gordon ("Oski" Slade, Brooklyn big league player, of Redwood City, Monday.

Slade went over the mountains in search of 200 fine specimens of silver fir Christmas trees as part of the city's Yuletide decorations.

He didn't expect to meet the bear, but when he did, the sharp eye that is needed to nab fast "grounders" on big league diamonds stood him in good stead.

Those on the trip included Mrs. Slade, Mike Thimler, Joel Mansfield, Gordon Masters and "Tex" Bean.

LOCAL PEOPLE PARTICIPATE IN LARGE REUNIONS

Fifty members of one family enjoyed a giant reunion for Thanksgiving dinner when they gathered at Dinuba, Calif. From Redwood City went Miss Grace Cochrane and Edward Neff.

Court Moved By Dispute Over Home

A touching scene in which an aged couple was faced with being separated after half a century because of a dispute between two daughters was enacted before Superior Judge George H. Buck today. The whole courtroom moved with the tenseness of the drama.

Judge Buck refused to part the couple but sought to provide that they should remain together in the home in Daly City where they have resided for 23 years.

Blinded and mumbling that her husband mistreated her, Mrs. D. J. Ahern asked the court not to appoint her daughter, Mrs. Margaret Murphy, of 1428 A Van Ness avenue, as her guardian. With her was another daughter, Mrs. Elizabeth Bulhard.

Ahern, the aged father, asked the court, however, to appoint Mrs. Murphy. This the court did over the protests of Mrs. Bulhard. Judge Buck provided that the couple should remain in Daly City, but if Ahern should decide to live in San Francisco with Mrs. Murphy, or Mrs. Ahern should wish to live with Mrs. Bulhard, he would not object.

Center of the battle was dispute over a deed to the little Daly City home, worth about $4500. Deeded to Mrs. Murphy in May, Mrs. Bulhard today asked the court to deed it back to the parents. Mrs. Murphy agreed that this should be done, and the court approved.

Few advertisements in your newspaper start that way. Yet most of them are just as personal, and almost as promising.

Manufacturers and merchants must know your needs and wants, or go out of business. They must know, for instance, that about the first of next month you'll be very much interested in a new hat, or a new lamp, or new towels. They must foresee your wishes—and have what you'll want when you want it.

And they do—constantly striving to suit, at the lowest possible prices. Then telling you in advertising of the gifts they have brought from the far corners of the earth, to please Your Royal Highness.

Read the advertisements in this paper. They are addressed to you—personally. They bring you news of better things to have and easier ways to live. Intimate news, of immediate interest.
